MANDRELS COMPLETELY ASSEMBLED FOR YOUR CONVENIENCE.

CONNECTING ROD HONING MANDRELS

For most popular honing machines:

Sunnen, Winona Van Norman, Kwik-Way, Storm Vulcan, RMC, Superior & DCM Tech

The Large End Mandrels are made of aircraft quality aluminum with wear-resistant Steel inserts offering a lifetime of use. The decrease in weight of these normally Heavy tools, prolongs the spindle life of your machine and makes for easier handling. Guide Shoes and Honing Stones are interchangeable with Sunnen. Danmar Mandrels reduce your cost by up to 15% from brand "x".
